

TEFA

Press Release - April 2014

Temporary crest for
VIVA World Cup 2012

2014 Tamil Eelam Football Association Onwards

Tamil Eelam Football Association as its Own Association

The Tamil Eelam Football Association (TEFA) is and always will be an organization of its own. It is not and will not be a Football Association operated or owned by any group, political organization and/or any subsidiary of the aforementioned as this contradicts and conflicts with the constitution of FIFA.

TEFA and its Participation in The Sweden Tournament

The official Tamil Eelam Football Association (TEFA) will not be participating in the Sweden Tournament (World Championship Cup) hosted by ConIFA. ConIFA is a splinter organization that broke away from the Nouvelle Federation-Board (N. F. Board). TEFA is not affiliated with and or a member of ConIFA. The N.F. Board has been of tremendous help in the founding and conception of the official Tamil Eelam Football Association, aiding in our temporary crest as well as in our participation in the VIVA World Cup 2012 in Kurdistan. With great gratitude, TEFA will continue to participate in the VIVA World Cup hosted by the N. F. Board.

TEFA's Obligation

The Tamil Eelam Football Association was conceived as an association to cater to Tamil Eelam football players, coaches, and fans, internationally. **It was not created to solely recognize an elite group, political members, or certain family members. TEFA strongly believes in equality and WILL NOT tolerate discrimination of any form.** TEFA will strive to bring the best Eelam Tamils in both women's and men's football.

The VIVA World Cup 2012 in Kurdistan was just the beginning for TEFA.

We are looking forward to the bright future ahead and thank you for your continuing support.

For further information please contact TEFA at the current email address listed below. More information to follow. Please stay tuned for our new website.
